“ Such a nice man. My husband and I sit in front of you at the 9:30 service with our grandbaby (have to sit in back now due to baby LOL!). He always smiles at little Madeline and says Hi to her. So Sorry for your loss! Bruce and Margie Towery

“ Mrs Ruth, my prayers go out to you and the rest of the family.

Mr Harold, I'll always remember our talks on Sunday mornings with the rest of the gents, our discussions working food pantry and our telling of stories from our military days. It was an honor sir. Rest In Peace brother, We've got the watch. Until I see you again in heaven brother.

“ It's been many years since the Clements family attended Marcus Hill, but the memories of Harold singing and Ruth playing the piano are still close in my mind. I am so very sorry for your loss and am praying for God to comfort this family as only He can. My thoughts are with you and my prayers are with you today and in the days to come. And, while I know Mr. Harold is going to be missed by so many here, I rejoice with you knowing he's walking streets of gold and experiencing things that we can't even begin to imagine. Sending love from the Leach family.

“ You were a Godly man that wholeheartedly loved your family, especially your wife of 48 years, your 2 children and 4 grandchildren. Your grandchildren will always know you as their Hero, their confident, the role model they looked up to. Pap was their world! Especially so for Hunter Clements. He could not wait for Friday afternoon to be able to go to Greenbrier and "work" with Pap. It didn't matter what yall done, just being together made his day brighter! The stories yall could come up with, the games you played, it didn't matter as long as you were with them. You will always be a hero in their eyes as well as your son and daughters eyes. They hung on your every word and will cherish every moment for the rest of their lives. Thank you for being a Godly role model to our boys and to your son. He strives hard to be have the man you were. We love and miss you dearly, until we meet again I know you are waiting patiently at those pearly gates. Much love, your family your son, daughter in law and 3 grandsons await the day we are together again. And don't worry about Mom, we will make sure she is taken care of . We love you Rickey, Janet, Humter, Landen and Brayden Clements

“ I loved Harold! He never failed to ask me about my son, my daughter and my grandkids. When he said he would pray for you, he meant it. He has become such an important part of my life and many lives around Antioch, I can't imagine not getting his hugs! But I will see him again some day!
