“ Jimmy was such a fun loving guy. Never failed to stop and hug me and chat with me when he saw me fueling my truck or just out and about in general. My fondest memory of Jimmy was when he had his crotch rocket. He took me on a ride from mom and dad's house down Brannon Rd to Hwy 25 and turned around at the gas station there (when it was still Circle R). When we were coming down that hill on that curve there just North of Brannon Rd I looked down and saw how fast we were going I immediately told him to take me back! I vowed to never ride a crotch rocket again and I have yet to do so. I will miss him and his jokes! You are all like family to me and my heart hurts for each and everyone of you! Know I love you all and if you need me, please call me and I will do whatever I can!
