“ Ann, my deepest sympathies to you and your family. I got to know Ken through several visits with him while in the hospital. The last time while in Conway Regional. He was in ICU and I went in briefly. He was asleep so I did not wake him. Just a few quiet moments were spent. I at least know partly the struggle that you and Ken have gone through the last couple of years. I do know that Ken was a fighter. From my limited perspective, no one that I know could have been more determined. My prayers are with you. Congratulations on 50 years of marriage. That fact alone speaks volumes to the life that you and Ken shared. May God Bless!
